1<sup>st</sup> April: Annual Parents Day

3<sup>rd</sup> April: Report Card Day

4<sup>th</sup> April: School Holidays begin

5<sup>th</sup> June: School Reopens

Holiday Care Available During the summer break

Dear Parents,

Thank you for your attendance and support of our PEP talks in February. They were a huge success, with parent participation and feedback, which we will take into account, as we plan for the year ahead.

Our little students are busy practicing for our Annual Parents Day, which many of you will attend. This spectacular event showcases the talents of students and teachers. Tickets for the event are available at the school office.

We are already thinking about class organisation for our next academic year. To help us with planning we would like to know whether you want your child to continue in TLC for the next academic year. It is important to note that selection is made with care as we are encouraging 'no changes' after submission.

Parents of students going to Enquirers will soon be asked to choose their child's language selection. We look forward to receiving your responses so that we can work with you in providing the best opportunity for your child.

Preschool years are vital for laying the foundations for thinking, language and other characteristics. Our Enquirers pick up the language through rhymes, songs and games. Rangers 1, begin to recognise the alphabets and reading begins in the Rangers 2 class. We feel that learning is very easy when our lessons are fun. Children who have the opportunity to pick up a second language while they are still young appear to use the same strategies throughout their lives when trying to pick up new languages.

TLC is best known for our culture of excellence, possibilities and extraordinary care. We have you, our parent community to thank for gaining this reputation. Children need to feel that they are doing well. They need your continual encouragement, praise and support for their good work, because success motivates them.

Please keep sharing your ideas and experiences with parenting your children with us, and, as always, support us with helping and motivating your child.

Kind Regards,

Usha Lamba  
Chief Executive Officer
